

## **Order of Business**

December 7, 2020

We have the 2021 Budget for consideration.

We have the Sewickley Crossing re-approval of a sub-division conveying Lot 27 to Mr. & Mrs. Campbell, 106 Buckskin Court and Lot 28 to Mr. & Mr. Hines, 105 Buckskin Court. This will extend both parcels back yards. This re-approval is due to the 90 day requirement by Allegheny County.

We have a PRD modification for 243 Cobblestone Drive. The owner is seeking relief of 2 feet for each side yard requirement. The building official has reviewed this request and sees no issue with it. Surrounding neighbors have sent letters of acceptance of this request.
