ENGINEER'S REPORT –

Sewickley Crossing PRD Phase 4 - Sanitary Sewer construction is proceeding.

Chapter 94 Reports (Wasteload Management)

We have completed the Windy Knoll STP and Kilbuck Run STP Wasteload Management Reports. Both sewersheds are in good position regarding hydraulic and organic loading. Reports are ready to be sent to PA DEP and ACHD.

Mr. Sullivan requested the engineer begin the process of preparing bid documents for the raising of manholes throughout the township. A discussion followed on how the bid process should be conducted. It will be bid out in phases.

Mr. Hartle asked for a status update on the ballfield water/sewer line installation. Mr. Evans stated the developer for Sewickley Crossing has been given notice that an easement will be needed for the houses on Nicholson Road and the ballfield is still in the design phase.

Mr. Hartle asked for a status update on the Wetzel sewage plan. The planning module has been sent back to their engineer for filing.

SOLICITOR'S REPORT – None.

ADJOURNMENT – There being no further business to come before the Board, Mr. Hartle made a motion, seconded by Mr. Sullivan, adjourning the meeting. The motion carried unanimously.

The meeting adjourned at 6:15 P.M.
